

Pre Box RS Digital

"Wow! was my reaction"

- Things sound quite good with **great detail and space**.
- The overall sound of the singers was noticeably **more spatial and believable**.
- ... sounding a bit softer, **more musical**.
- I was **amazed** that the RS Digital **locked on and stayed locked** from this signal source.
- Overall, I was **quite impressed** with the RS Digital. This device brings a lot of **very useful features** to the table along with quite **good sound**.
