ABOUT PRO-JECT AUDIO SYSTEMS AND BOX DESIGN

Pro-Ject Audio Systems was founded by Heinz Lichtenegger 1990 in Vienna, with the idea that analogue playback is the most cost-effective way to listen to music of audiophile quality.

Inspired by the concept of supporting analogue in the face of the digital onslaught, Pro-Ject Audio Systems became one of the most powerful driving forces in reinventing analogue turntables for the hi-fi market. Today, Pro-Ject Audio Systems is the world leader in the manufacture of quality hi-fi turntables, as turntables are once again accepted as a must-have for every concerned music lover. Pro-Ject products are exported to almost 80 countries worldwide and is the recipient of nearly every award in the audio industry.

BY PRO-JECT AUDIO SYSTEMS

Since 2006, PRO-JECT Audio has been bringing its "less is more" mission to the digital world. Inspired by the new possibilities of the iPod and high-quality music reproduction from a PC or laptop, Pro-Ject Audio Systems has designed a complete new and revolutionary range of MICRO HIGH-END Hi-fi components under the family name BOX DESIGN. Starting with the smallest audiophile amp in the world, with open and euphonic sound, Pro-Ject Audio now produces all of the components of traditional hi-fi systems including CD players, tuners, phono amps, headphone amps and switching modules, as well as digital products such as docking stations, D/A converters and streamers to connect with the PC wired or wireless.

BOX DESIGN regards itself as the 'next generation of hi-fi' – the link between the micro-sized hardware of the IT world and the big boxes of the audiophile world. All products, except for speakers and headphones, are designed and produced in Europe.

PRO-JECT: Simple-to-use, high quality sound, astonishing value, long-term stability and good service.

ESSENTIAL II

OM 5e SRP € 229,00

Audiophile "Best Buy" turntable

- Belt drive with silicone belt • Low vibration synchronous motor • 8,6" aluminium tonearm • Ortofon OM5e cartridge, pre-mounted • Connection to phono preamp or amplifier with phono preamp required • Pre-mounted interconnect cable with gold-plated RCA plugs
- Colour options: Black, Red, White

ESSENTIAL II PHONO USB

OM 5e SRP € 299,00

Turntable for Hifi & audio transfer to PC/Mac

- Belt drive with silicone belt • Low vibration synchronous motor • 8,6" aluminium tonearm • Ortofon OM5e cartridge, pre-mounted • Integrated Phono-MM preamplifier • Connections: line-level RCA to amp & USB to PC/Mac (simultaneously) • Colour options: Black, Red, White

Debut Line

DEBUT CARBON

OM 10 SRP € 299,00

Audiophile "Best Buy" turntable

2M red SRP € 349,00

- 8,6" carbon tonearm • Increased platter size with more weight • Precision belt drive with synchronous motor • New sorbothane motor suspension • Felt mat • magnetic cartridge options from Ortofon OM 10 or 2M red • 7 high-gloss colours: Green, Piano, Blue, White, Red, Light-Grey, Yellow

DEBUT CARBON PHONO USB

OM 10 SRP € 399,00

Audiophile turntable for Hifi & Audio-Transfer to PC/Mac

- 8,6" carbon tonearm • Increased platter size with more weight • Precision belt drive with synchronous motor • New sorbothane motor suspension • Felt mat • Integrated Phono-MM preamplifier • Connections: line-level RCA to amp & USB to PC/Mac (simultaneously) • magnetic cartridge: OM 10 • 7 high-gloss colours: Blue, Yellow, White, Green, Piano, Red, Light-Grey

DEBUT CARBON ESPRIT

2M red SRP € 399,00

Audiophile "Best Buy" turntable

- 8,6" carbon tonearm • Heavy non-resonant acrylic platter • Precision belt drive with synchronous motor • New sorbothane motor suspension • magnetic cartridge 2M red from Ortofon • 7 high-gloss colours: Green, Piano, Blue, White, Red, Light-Grey, Yellow

RPM 1.3 GENIE

matt black OM 5e SRP € 325,00

Manual turntable with S-shaped 8.6" tone-arm

2M red SRP € 365,00

• Chassis options: matt black, glossy black, red and white • quiet running synchronous motor • 2-step pulley • outside driven via belt • isolated motor platform, completely decoupled from the plinth • eliminates vibration transmission • resonance-optimised platter made of medium density fibre • inverted, chrome-plated stainless-steel axle • polished metal ball in sintered bronze bearing housing • interchangeable connecting cables • gold plated phono sockets • External power supply avoids potential electro-mechanical interference.

RPM 5.1

n/c SRP € 749,00

Manual turntable with 9" carbon tone-arm

2M red SRP € 799,00

• Chassis piano-lacquered dark grey • belt drive • AC motor with 2-step pulley • MDF plinth • 3 height-adjustable rubber-damped aluminium cones • motor decoupled from plinth reduces vibration transmission • resonance-optimised MDF sandwich platter • cork mat plus standard • screw-down record clamp • low-tolerance chrome-plated stainless-steel • Teflon bearing plate in sintered bronze bearing housing • Central metal block optimises centre of gravity and damps main bearing • interchangeable connecting cables • gold plated phono sockets and earth screw • standard cable is provided • External power supply avoids potential electro-mechanical interference

RPM 9.1X Acryl

n/c SRP € 1.599,00

Manual turntable

• Belt drive • AC motor with 2-step pulley • transparent acrylic plinth • 3 height-adjustable Sorbothane®-damped aluminium cones • spirit level supplied • separate metal housing for motor • resonance-optimised acrylic platter weighing 3,5Kg • brass record puck • inverted bearing with stainless-steel axle carrying a ceramic ball on which the ceramic bearing plate runs • Central metal block optimises centre of gravity and damps main bearing • interchangeable connecting cables • gold plated phono sockets and earth screw • standard cable is provided • External power supply

RPM 9.2 Evolution

n/c SRP € 1.499,00

Manual turntable

• Chassis and motor housing piano-lacquered dark grey • belt drive • AC motor with 2-step pulley • MDF plinth • 3 individually height-adjustable magnetic field feet • spirit level supplied • Granulate filled plinth guarantees constant damping • separate metal housing for motor • The resonance-optimised acrylic platter weighing 3,5Kg • brass record puck • inverted bearing with stainless-steel axle carrying a ceramic ball on which the ceramic bearing plate runs • Central metal block optimises centre of gravity and damps main bearing • interchangeable connecting cables • gold plated phono sockets and earth screw • standard cable is provided • External power supply

RPM 10.1 Evolution

n/c SRP € 2.490,00

Manual turntable

• Chassis, motor housing and granulate filled equipment base Ground it deluxe piano-lacquered dark grey • Ground it deluxe uses 4 individually height-adjustable magnetic field feet • AC motor with 2-step pulley • MDF plinth • height-adjustable Sorbothane®-damped aluminium cones • Granulate filled plinth guarantees constant damping • spirit level supplied • separate metal housing for motor • The resonance-optimised magnetically supported acrylic platter weighing 5,4Kg • brass record puck • inverted bearing uses a stainless-steel axle carrying a ceramic ball on which the ceramic bearing plate runs • Central metal block optimises centre of gravity and damps main bearing • interchangeable connecting cables • gold plated phono sockets and earth screw • standard cable is provided • External power supply avoids potential electro-mechanical interference

1XPRESSION III

n/c SRP € 499,00

Manual turntable including carbon tone-arm

Oyster / 2M red SRP € 549,00

• Belt drive design • low noise AC motor • MDF plinth • high gloss anthracite surface • Acrylic 0,9 kg platter • Platter bearing with low-tolerance chrome-plated stainless-steel axle running on polished ball bearing in brass bearing housing • Motor decoupling reduces vibration • Height adjustable rubber-damped aluminum cones • Gold-plated RCA phono sockets

1XPRESSION III Comfort

2M red SRP € 599,00

Manual turntable including carbon tone-arm with electronic speed selector and limit stop

• Same as above, but with: • Integrated Speed Box: electronically switchable speed between 33 and 45 Rpm • Automatic cutoff at the end of the record

1XPRESSION III CLASSIC

n/c SRP € 649,00

Manual turntable. Optional with fitted cartridge Ortofon 2M Red

2M red SRP € 699,00

• Available finishes: Mahogany, olive veneer and piano-lacquered black • Belt drive design • low noise AC motor • MDF plinth • height-adjustable rubber-damped aluminium cones • Motor decoupling reduces vibration • fine-balanced aluminium platter • cork mat & standard felt mat supplied • low-tolerance chrome-plated stainless-steel axle running on polished ball bearing in brass housing • interchangeable connecting cables • gold plated phono sockets and earth screw • standard cable is provided • External power supply avoids potential electro-mechanical interference

2XPERIENCE ACRYL

n/c SRP € 949,00

Manual turntable. Optional with fitted cartridge Ortofon 2M Red

2M red SRP € 999,00

• Belt drive design • low noise AC motor • transparent acrylic plinth • height-adjustable Sorbothane®-damped aluminium cones • Motor decoupling reduces vibration • resonance-optimised MDF/vinyl sandwich platter weighing 2Kg • screw-down metal record clamp • low-tolerance chrome-plated stainless-steel axle running on Teflon bearing plate in sintered bronze bearing housing • gold plated phono sockets and earth screw • standard cable is provided • External power supply

2XPERIENCE CLASSIC

n/c SRP € 949,00

Manual turntable. Optional with fitted cartridge Ortofon 2M Red

2M red SRP € 999,00

• Available finishes: Mahogany, olive veneer, piano-lacquered black • Belt drive design • low noise AC motor • height-adjustable Sorbothane®-damped aluminium cones • Motor decoupling reduces vibration • resonance-optimised MDF/vinyl sandwich platter weighing 2Kg • screw-down metal record clamp • low-tolerance chrome-plated stainless-steel axle running on Teflon bearing plate in sintered bronze bearing housing • gold plated phono sockets and earth screw • standard cable is provided • External power supply

6PERSPEX

n/c SRP € 1.399,00

Manual turntable

• Belt drive design • Transparent acrylic plinth • 3 individually height-adjustable Sorbothane®-damped aluminium cones carry motor sub-chassis • Corian subchassis rests on 3 magnetic feet • built-in spirit level • silent running AC motor with 2-step pulley • inverted bearing uses stainless-steel axle carrying a ceramic ball on which ceramic bearing plate runs • resonance-optimised sandwich platter weighing 2Kg with 4mm vinyl-layer • screw-down metal record clamp • 9" Evolution tonearm • gold plated phono sockets and earth screw • standard cable is provided • External power supply

XTENSION 10

n/c SRP € 2.990,00

Highend turntable with 10" tonearm

• Super-heavy 22 kg belt drive turntable • Mass loaded magnetic floating subchassis • Precision balanced sandwich-platter • Inverted ceramic ball bearing with magnetic support • Heavy weight record clamp • Extremely low level of natural resonance • Perfect decoupling through magnetic feet • Electronic speed control 33/45/78 Upm • Tonearm 10cc Evolution made from carbon fibre • Inverted tonearm bearings (ABEC 7 quality)

XTENSION 12

Pro-Ject 12cc Evolution SRP € 3.990,00

Ortofon RS-309D SRP € 6.500,00

Manual turntable with built-in Pro-Ject Speed Box SE

• Super-heavy 25 kg mass load magnetic floating belt drive design • Sorbothane® damped ultra precise balanced Sandwich platter made out of special alloy combined with vinyl layer • Brass record puck • Ultra low noise motor highest selection • Magnet supported, inverted main bearing with ceramic thrust-pad • Integrated Speed Box SE for super silent motordrive and electronically switchable speed • Metal-granulate filled plinth for universal damping • Mass loaded interchangeable arm-board • Height adjustable magnet supported feet for perfect isolation • Gold-plated RCA phono sockets

SIGNATURE 12

n/c SRP € 9.500,00

Highend turntable

- Mass-loaded subchassis design • Magnetically decoupled main platter • Resonance-optimised alloy • Inverted main bearing with ceramic ball • Flywheel belt drive • Motor control system with LC display • Single-pivot tonearm • High gloss metal surface • Piano-lacquer chassis with magnetic decoupling

Special Limited Edition

1ANNIVERSARY

OM5e SRP € 325,00

Jubilee - Version

- Arm bearings are precision made from hardened stainless steel points centred in sapphires mounted in low resonance rings • vertical and lateral tracing angle are adjustable • fine balanced platter with chromium-plated axle turns in a sintered bonze bearing housing • Teflon bearing thrust plate for extremely low noise bearing • Motor and drive pulley for the precision ground drivebelt decoupled from plinth via four rubber dampers

ART1

2M blue SRP € 980,00

Turntable as „Hear & See“ artwork

- Designed by Austrian artist Barbara Mungenast • Individually signed by the artist • Limited Edition - **only 100 pieces worldwide !** • Social sponsoring with revenues • Based on Pro-Ject Debut III • Highend Tuning Kit included • Ortofon 2M Blue included

2XPERIENCE BASIC+ ACRYL

MC 25e SRP € 799,00

Limited edition with Ortofon MC25e

- Belt drive turntable with single pivot tonearm • 33/45 rpm with manual speed change • MDF platter with felt mat • Stand-alone motor base • Audiophile grade tonearm cable included • Transparent acrylic version with Ortofon MC25e

2XPERIENCE BASIC+ PIANO

Pick it MC-1H SRP € 699,00

Limited edition with MC-Cartridge Pro-Ject Pick-it MC-1H

- Belt drive turntable with single pivot tonearm • 33/45 rpm with manual speed change • MDF platter with felt mat • Stand-alone motor base • Audiophile grade tonearm cable included • Piano black version with Pro-Ject MC-1H

Tonearms

PRO-JECT CC TONEARMS

	9CC	10CC	12CC
FL	SRP € 549,00	SRP € 569,00	SRP € 799,00
5P	SRP € 579,00	SRP € 599,00	SRP € 829,00
BOX	SRP € 599,00	SRP € 619,00	SRP € 849,00

9CC - 9" precision tonearm with carbon-fibre armtube/headshell

• Conical carbon-fibre armtube avoids standing wave reflections • Inverted bearing design with four hardened ABEC7 spec ballraces • Solid armbase permits accurate height adjustment of armtube and VTA (vertical tracing angle) • Single-screw fixing of armtube allows rotation for easy adjustment of needle azimuth despite fixed headshell • Highly flexible top-grade copper internal wiring • Linn standard mount • Available with 5-pole standard socket, flying leads or terminal with phono sockets and earth screw

10CC - 10" precision tonearm with carbon-fibre armtube/headshell

Same as above, but 10" length

12CC - 12" precision tonearm with carbon-fibre armtube/headshell

Same as above, but 12" length

12CC EVOLUTION - 12" precision tonearm with carbon-fibre armtube/headshell

Same as above, but 12" length

Cartridges

PICK IT MC-1

SRP € 159,00

Phono MC cartridge for turntables

• Moving Coil principle • More dynamic playback than MM cartridges • High trackability • 0,5mV output • MC-1 suits nearly all preamplifiers/step-up transformers • Suitable for light to medium tonearm mass • 1/2-inch mount • As with all MC cartridges, stylus can not be exchanged

PICK IT MC-1H

SRP € 199,00

High-output Phono MC cartridge for turntables

• Moving Coil principle • More dynamic playback than MM cartridges • 2,3mV output • High trackability • MC-1H connects directly to MM phono preamp • Suitable for light to medium tonearm mass • 1/2-inch mount • As with all MC cartridges, stylus can not be exchanged

RECORD BOX USB

SRP € 89,00

MM Phono Pre-amplifier with A/D converter and USB output

- Metal case shields the electronics from vibrational and electromagnetic interference
- Optimal channel separation through dual-mono circuitry
- Special low-noise ICs used
- Gold plated RCA connection sockets
- Outboard power supply included
- Digitalisation of analogue signals for recording direct to disk via USB with suitable recording programs
- Automatic recognition, without additional driver, by standard PC
- Runs on Windows® and Mac OS® operating systems
- Small size allows installation close to record player

PHONO BOX MM

SRP € 59,00

MM Phono Pre-amplifier

- Metal case shields the electronics from vibrational and electromagnetic interference
- Special low-noise ICs used
- Optimal channel separation through dual-mono circuitry
- Gold plated RCA connection sockets
- Outboard power supply included
- Amplification and RIAA equalisation for MM cartridges
- Small size allows installation close to record player

PHONO BOX

SRP € 99,00

MM/MC Phono preamp with line output

- Preamplifier for MM or MC with switch on rear panel
- Best buy classic
- “green” DC power supply (< 1 watt standby power)
- Precise RIAA equalisation
- Low noise ICs
- Output stage with ultra-low impedance
- Gold-plated RCA sockets
- Small size for installation near record player
- Available in black and silver

PHONO BOX USB

SRP € 139,00

MM/MC Phono preamp with line & USB outputs

- Preamplifier for MM or MC with switch on rear panel
- “green” DC power supply (< 1 watt standby power)
- Precise RIAA equalisation
- High quality A/D conversion with USB out to PC/Mac
- Compatible with Windows®, MacOS®
- SMD technology for shortest signal paths
- Gold-plated RCA sockets
- Output stage with ultra-low impedance
- Available in black and silver

PHONO BOX USB V

SRP € 159,00

MM/MC Phono/line preamp with line & USB outputs

- Preamplifier for MM or MC with switch on rear panel
- “green” DC power supply (< 1 watt standby power)
- Precise RIAA equalisation
- Phono/line selector on front
- Record level adjustment
- High quality A/D conversion with USB out to PC/Mac
- Compatible with Windows®, MacOS®
- SMD technology for shortest signal paths
- Output stage with ultra-low impedance
- Available in black and silver

PHONO BOX S

SRP € 149,00

“Best Buy” MM/MC phono preamplifier

- Audiophile Performance
- Dual mono configuration
- Audiophile-grade amplification modules
- Audiophile-grade polypropylene WIMA capacitors
- Precise RIAA equalisation
- Switchable Subsonic filter -12dB @ 20Hz
- Switchable input impedance/capacitance
- 4 adjustable gain levels
- Outstanding sound quality

TUBE BOX S

SRP € 349,00

MM/MC phono preamplifier with tube output stage

- Audiophile Performance • Audiophile-grade ECC83 (12AX7) • Dual mono configuration • Audiophile-grade polypropylene WIMA capacitors • Precise RIAA equalisation • Switchable input impedance/capacitance • 3 adjustable gain levels • Subsonic filter • Outstanding sound quality

SPEED BOX S

SRP € 99,00

Electronic motor control and speed change

- Quartz-generated high precision electronic speed regulation with microprocessor control • Sound improvement through motor running smoothness • Clean power decoupled from mains interference • Allows electronic speed change 33 & 45 rpm • 78 rpm possible with optional accessory pulley • Suitable for all turntables with 16 volt AC motor, up to 3 watt max. power consumption • Metal case shields electronics from vibration and electromagnetic interference • Small size allows installation close to record player • Outboard power supply included • Available in silver or black finish

PHONO BOX DS

SRP € 249,00

Phono preamplifier

- MM & MC capable • Linear RIAA equalisation • Ultimate circuit technology from Dr. Sykora, simplified version of Phono Box DS+ without display & relays switching • Ultra low noise & low distortion levels • SMD circuitry • Subsonic filter (switchable on rear panel) • Substantial setup options • Comfortable switching via buttons on front • Metal casing protects against vibration and interference • Faceplate silver or black

PHONO BOX DS +

SRP € 399,00

Phono preamplifier

- MM & MC capable • Linear RIAA equalisation • Ultimate circuit technology from Dr. Sykora • Ultra low noise & low distortion levels • Double mono SMD circuitry • Low loss polypropylene capacitors • Substantial setup options • Classy & elegant display shows setup parameters • Relay switching • Metal casing protects against vibration and interference • Faceplate silver or black

TUBE BOX DS

SRP € 499,00

MM/MC tube phono preamplifier

- MM & MC support • Precise RIAA equalisation • Ultra low noise circuitry • ECC 83 tube output stage • Input impedance adjustment for low output MC on front • Input capacitance adjustment in 4 steps (MM & Hi-output MC) • Switchable subsonic filter • Gold plated RCA sockets • Metal casing protects against vibration and interference • Front-sided On/Off switch • Faceplate silver or black

PHONO BOX RS

SRP € 799,00

Highend phono preamplifier

- MM & MC capable • Fully balanced double mono design • Fully passive RIAA & DECCA equalisation • Unique continuously variable input impedance loading, matches every cartridge (adjustment even while playing) • RCA & XLR In & Out • Superior low noise / low distortion • Classy & elegant dip switches • Metal casing protects against vibration and interference • Faceplate silver or black

Accessories to play 78rpm records

PULLEY SB

SRP € 9,00

Pulley 33 & 45 & 78rpm in combination with Speed Box

78rpm possible by replacing original drive pulley for "Pulley SB" and addition of Speed Box S (suitable for turntables with 16V AC motors) or Speed Box SE / DS (suitable for turntables with 230V and 16V AC motors) • not usable with all turntables, please consult your Pro-Ject partner

78RPM PULLEY SET 50 or 60HZ

SRP € 17,00

Pulley + Belt for gramophone playback

Optional pulley set converts any Pro-Ject turntable for gramophone playback. Please note that a special cartridge stylus may be required

Accessories for adjustment

ADJUST IT

SRP € 25,00

Tonearm bearing adjustment tool

• Suitable for all Pro-Ject tonearms • Allows fine adjustment of bearings, if misadjusted • Caution: for qualified personnel only • Includes 2 inserts for different bearings • Full metal (aluminium & brass)

ALIGN IT

SRP € 119,00

Cartridge alignment tool

• Tool for cartridge alignment and adjustment • Special slip-proof tool for defining the turning centre of Pro-Ject tonearms • Adaptable to accommodate differing tonearm lengths • Suitable for other manufacturers' tonearms • Suitable for tonearms between 8" (203mm) and 12" (305mm) effective length

LEVEL IT

SRP € 25,00

Spirit level for optimum positioning of a turntable

• Making sure your turntable is level is critical for set-up and playback • Double check with this handy tool

MEASURE IT II

SRP € 99,00

Electronic stylus balance

• 4 digit LCD-Display with backlight • Capacity 0 - 5g • Variance $\pm 0,002g$ • Auto calibration function • Auto off after 120 seconds • Replacement batteries supplied

STROBE IT

SRP € 29,00

Control of turntable speed

• speed control for 33/45/78 rpm • 50/60 Hz • cartridge alignment scheme included

Accessories for sound tuning

ACRYL IT

SRP € 99,00

Turntable platter

• Suitable for Debut and Xpression turntables • Substitutes metal platter • Inert material avoids resonances • Dent for label implemented • Ideal for use with Clamp it • Audiophile sound tuning • Optical upvaluation

CORK IT

SRP € 19,00

Sound tuning with turntable mats

• Alternative platter mats with special sound characteristics • Substitutes felt mats • Damping of resonances from metal turntable platters • Less noise • Avoids static load • Suitable for all turntables • Perfect combined with Clamp it

LEATHER IT

SRP € 49,00

Sound tuning with turntable mats

• Alternative platter mats with special sound characteristics • Substitutes felt mats • Damping of resonances from metal turntable platters • Less noise • Avoids static load • Suitable for all turntables • Perfect combined with Clamp it

FELT MAT

SRP € 9,90

Felt mat for Debut turntables

• Individual colours give your turntable a very special appearance • Diameter 280 or 300mm • 9 different colours: Black, dark-grey, light-grey, dark-red, orange, yellow, neon-green, green, blue

CLAMP IT

SRP € 79,00

Record clamp

• Sound improvement for all turntables • Reduces unwanted resonances during playback • Fast and easy mounting • Fine-adjustment of tightening force • Full metal accessory with leather coating • Diamond cut finish

RECORD PUCK

SRP € 69,00

Heavy weight record clamp

• Lifts tonearm, when it moves to the end of a record • Extends stylus life • Suits nearly all tonearms and manual turntables • Includes three stackable platforms for turntables with thick platters • Adjustable trigger sensitivity • No AC or battery power needed • Easy to mount, no additional tools necessary!

GREASE IT

SRP € 17,90

High-tech lubricant

- constant velocity • 5ml

GROUND IT DELUXE

GROUND IT DELUXE 1 SRP € 299,00

GROUND IT DELUXE 2 SRP € 299,00

GROUND IT DELUXE 3 SRP € 499,00

Equipment bases

- Resonance free placement for turntables & hifi • Heavy weight base filled with granular damping • 2 models with adjustable spikes (3 or 4 may be fitted) • 1 model with height adjustable magnetic feet • Dark grey piano lacquer finish • Matches charcoal finish of Pro-Ject turntables • Ground it deluxe 1: Dimension: 500 x 65 (45)x 400mm incl. spikes (without spikes) Weight: 11,6 kg • Ground it deluxe 2: Dimension: 435 x 65 (45)x 340mm incl. spikes (without spikes) Weight: 8,5 kg • Ground it deluxe 3: Dimension: 500 x 65 (45) x 400mm incl. feet (without feet) Weight: 13,5 kg

WALLMOUNT IT 1

SRP € 129,00

Wall mount equipment rack

- Welded steel frame construction. Matt black finish • Wooden veneer board, black finish • Four height-adjustable spikes to level the board • Surface area (W x D): 460 x 355mm • Overall dimensions (W x H x D): 460 x 90 x 415mm

WALLMOUNT IT 2

SRP € 159,00

Wall mount equipment rack

- Welded steel frame construction. Matt black finish • Wooden veneer board, black finish • Four height-adjustable spikes to level the board • Surface area (W x D): 460 x 355mm • Overall dimensions (W x H x D): 490 x 260 x 455mm

WALLMOUNT IT 3

SRP € 299,00

Wall mount equipment rack

- Screwed steel construction. Matt black finish • Lacquered MDF board. Matt black • Three height-adjustable spikes to level the board • Surface area (W x D): 520 x 450mm • Overall dimensions (W x H x D): 635 x 290 x 455mm

Accessories for cleaning

BRUSH IT

SRP € 15,00

Carbon-fibre brush for record cleaning

- Anti static record cleaner • Conductive carbon fibers • Eliminates static charges • Removes finest dust particles

CLEAN IT

SRP € 10,00

Carbon fibre stylus cleaning brush

- Smooth cleaner for diamant stylus • Conductive carbon fibers • Eliminates static charges • Removes finest dust particles

SPIN-CLEAN®

SPIN-CLEAN RECORD WASHER SYSTEM MKII	SRP € 99,00
SPIN-CLEAN RECORD WASHER MKII PACKAGE	SRP € 165,00
SPIN-CLEAN RECORD WASHER MKII PACKAGE - LIMITED EDITION	SRP € 199,00

Record washer

Clean your valuable vinyls gently, but efficiently! Clean records sound much better and help to protect the stylus from dust. Spin Clean clears manually and is suitable for all kinds of records: LP's, 45's, 78's Spin Clean Record washer system includes all necessary parts: 4 oz. (118ml) washer fluid, 2 brushes and dryer cloths. Of course all components of Spin-Clean are available as accessories!

SPIN-CLEAN® WASHER FLUID

SPIN-CLEAN WASHER FLUID 8 OZ (237 ML)	SRP € 17,00
SPIN-CLEAN WASHER FLUID 16 OZ (473 ML)	SRP € 25,00
SPIN-CLEAN WASHER FLUID 32 OZ (946 ML)	SRP € 37,00

SPIN-CLEAN® BRUSHES (ONE PAIR)

SRP € 30,00

Replacement brushes

SPIN-CLEAN® ROLLERS (ONE PAIR)

SRP € 25,00

Replacement rollers

SPIN-CLEAN® DRYING CLOTHS (5-PACK)

SRP € 20,00

Washable dry cloths

SPIN-CLEAN® OPTICAL DISC CLEANER

SPIN-CLEAN DISCMIST OPTICAL DISC CLEANER 2 OZ (59 ML)	SRP € 20,00
SPIN-CLEAN DISCMIST OPTICAL DISC CLEANER 4 OZ (118 ML)	SRP € 25,00
SPIN-CLEAN DISCMIST OPTICAL DISC CLEANER 8 OZ (237 ML)	SRP € 30,00

Various accessories

ADAPT IT

SRP € 19,00

Single puck

• Adaptor for use with 7-inch single records • Locates record centrally on turntable • No plastic - precision CNC-machined • Non-magnetic aluminium • Suitable for all brands and types of record players • 2 colour options: black or blue

COVER IT

COVER IT 1	SRP € 249,00
COVER IT 2.1	SRP € 199,00
COVER IT RPM 1/5	SRP € 79,00
COVER IT RPM 9	SRP € 99,00

Universal dust cover

• Crystal clear acrylic cover for turntables • Protects turntable and needle • 2 models: Cover it 1 & Cover it 2.1 • Cover it 1 suits Ground it deluxe 1 • Cover it 2.1 suits Ground it deluxe 2 & 3

CUBE IT

CUBE IT BLACK	SRP € 99,00
CUBE IT LIGHT-BEECH	SRP € 119,00
CUBE IT LIGHT-OAK	SRP € 119,00
CUBE IT GD LIGHT-OAK	SRP € 119,00
CUBE IT GLASS SHELVES	SRP € 29,00

Vinyl storage with or without glass door

• 3 different wood finishes: Black, light beech, light oak • Outer dimensions: 400 x 400 x 400 mm • Inner dimensions: 364 x 364 x 364 mm

PLAY & DISPLAY

SRP € 99,00

12" Vinyl display frame
